Dear Parents,

P-2's return

Today we welcomed back the majority of our P-2 students onsite. It was amazing to see our students beaming faces as they danced their way into classrooms. Unfortunately, any children who are living in Metro Melbourne are not allowed to return this term. We are currently seeking more clarification but the word at the moment is that if your child is accessing care in Metro Melbourne they are not allowed to attend school. We acknowledge how difficult this is for split families and single parents who are in this situation. We will continue to provide a remote learning program for these children. There is no access onsite for parents. If you need help please contact the office on 5428-2232.

OHSC

A reminder that any students arriving before 8.40 should be booked into before school care as there is no supervision onsite before this time and students are not currently allowed to access the play equipment before or after school.

Sunsmart

At New Gisborne Primary, our SunSmart Policy notes that all children will be required to wear their school hats from 'Hats On Day'- September 1 to 'Hats Off Day' - May 1, whenever they are outside including sports lessons. With this in mind, we ask all students begin wearing their hats at school. Our 'NO HAT, NO PLAY' policy has been enacted and children without hats will be required to remain under cover. Children will be responsible for applying their own sunscreen. Please note, hats must be navy blue bucket hats (or reversible house colour hats worn on the navy side) as per the school uniform. Caps and other non uniform hats will not be allowed.

Sports Colours Day

On Friday 17th September we would like everyone to dress up in their favourite sports colours for the day. See the attached information in regards to this day. Go Dogs!

Last Day of Term

Friday 17th of September will be the last day of Term 3 and we will be dismissing students at 2.30.

We wish everyone a safe and well deserved holiday.

Premiers' Reading Challenge

ONE WEEK TO GO

This is the final reminder to get your Premiers' Reading Challenge books entered online. Friday 17th September is the last day that data can be entered on-line. No books can be accepted after this date. Students who complete the Challenge will receive certificates signed by the Victorian Premier, Mr Daniel Andrews and past Premiers at Assembly in October or November.

If you have lost your PRC log in details please let me know so I can help you enter your books before the cut-off date.

Parents Association

I've been remiss this year in not providing the school community with regular updates from the PA, so this is to catch up on what has been going on 'behind the scenes' and advise on future plans.

Initiatives funded by funds raised:

As a result of a significant amount of work by the PA over many years, we have a healthy bank balance which has allowed us to fund a number of requests from staff for funding support this year. So far, the PA has funded:

- New marquees x4 and house colour freestanding flags for use at house sport activities and other school events. This has saved Mr Bell from making repairs to the old ones himself.
- Washer/Dryer combined machine to save staff having to take items home for washing. This is getting used by sick bay, lost property, art room (art smocks, rags etc), canteen, the list goes on.
- Purchase of the latest Little Learners Love Literacy (LLLL) classroom and home reader sets for our Junior School. These sets will benefit our current Foundation and Year 1s and also future NGPS cohorts.

Other initiatives the PA has agreed to investigate and potentially fund:

To compliment the major landscaping works completed/being undertaken around the school, the PA together with school leadership have agreed to fund the following works:

- Redevelopment of the space in front of the gym to make this a welcoming alternate entrance to the school. The broad concept is to have an Anzac focus with Anzac themed seating for children waiting to be picked up, flag poles and possibly a time capsule.
- Indonesian Garden development – in line with the installation of the new music pods in March 2022.
- Drinking taps near the gym – we are in the early stages of investigating whether Greater Western Water could fund these in part or whole.
- Kitchen garden
- Shade sails near the oval
- Storage shed for the PA – stock is currently residing across a couple of PA member homes and various locations around the school and needs to be housed in a single location with access by the PA independent of the school buildings. A location for a shed has been identified.

Events for the remainder of 2021:

While we've scaled back plans due to the unknowns of lockdowns, we have a number of events planned for Term 4:

- Showcase artwork – children will bring home specialty card to produce their artwork which will be printed on greeting cards, tea towels, tote bags and/or calendars depending on what families choose to order.
- Colour Fun Run – date to be determined but this is still on the cards.
- Disco – we have all the stock for an amazing glo disco, we just need restrictions to ease sufficiently to allow it. This may fall into 2022.
- Christmas raffle – in place of a market the PA is considering running a raffle supporting local businesses.
- Book Fair – this would normally be held in November. Fingers crossed restrictions will allow us to run this.
- Teachers Appreciation Day – ssshhh, we have something special planned for our wonderful NGPS staff to be delivered to them on 5 October.

Contacting the PA:

As always, if you have any feedback on PA activities, ideas for future events or would like to know more about volunteering you can contact us at: ngps.parentassociation@gmail.com
