Dear Parents & Guardians,

Year 1/2 Swimming Program

The 10 day intensive program starts this Monday 23rd February until the 6th March. Information regarding the swimming program at Gisborne Aquatic Centre has been posted on Compass. If you have not yet given consent, please do so as soon as possible. The event also includes a list of what your child should bring to school everyday.

School Council Elections

Nominations for School Council open Monday 23rd February. The self-nomination forms are available from the school office and need to be returned by 4.00pm Monday 2nd March. It is a self-nominating process therefore you don't have to go out and lobby for people to nominate you. Please see the detailed notice regarding the elections in this newsletter for more information.

Teacher Meet and Greet Sessions

Thank you to all the parents who came in this week to catch up with classroom teachers, this is a way to share valuable information about your child with their teacher. If you were unable to attend this week, please pick up the phone or email the classroom teacher to touch base.

Kitchen Garden Volunteers

This Friday, 20th February, will see the first session of the Year 4 Kitchen Garden program. Thank you to all those parents/carers who have volunteered to help. A reminder for those parents who would like to help with Kitchen Garden and/or volunteer at the school, please make sure you have a current working with children card, have nominated NGPS as the volunteer organisation and provided a copy of your WWCC to the school office. Please note an OH&S Induction will also need to be completed prior to volunteering.

School Uniform

Can parents please take a moment over the next week to make sure students are in correct school uniform and have a SunSmart hat. Parents are also expected to provide sunscreen for their children to apply at school. Information about the Student Dress Code Policy can be found on our [website](#)

District Swimming

Congratulations to all students who made it through to District Swimming. We wish you all the best for next Tuesday and hope that you have a fantastic day.

Foundation Grandparent Afternoon

The Foundation Grandparents open afternoon is on Friday 27th February from 2:30pm - 3:10pm. We look forward to all these significant adults joining us for the afternoon.

School Council Election Information

Appendix A: Fact sheets

Fact sheet 1: School council elections – information for parents

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally constituted bodies that set the broad direction of a school and provide oversight of school decisions and finances. Their roles are guided by rules and laws including Ministerial Order 1280 (Constitution of Government School Councils) 2020, the *Education and Training Reform Regulations 2017* and the *Education and Training Reform Act 2006*.

Who is on the school council?

There are several possible categories of school council membership:

- **parent membership category** – members of this category must make up more than one third of the school council's total membership. A parent member can be any person who has parental responsibility for a student enrolled at the school.
- **school employee membership category** – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically a member of this category.
- **community membership category** – if a school council includes a community membership category, members are co-opted by a decision of the school council. The decision may be based on their special skills or to provide broader representation of diversity in the school community. Department of Education employees are not eligible to be community members on school council.
- **nominee membership category** – a small number of school councils have nominee members.
- **student membership category** – all schools with a Year 7 and above student cohort have a student membership category with 2 positions allocated, unless they have sought an exemption. Refer to **School Council Elections: Guidance**.

What do you need to do to stand for election?

The principal will issue a Notice of election and call for nominations in term 1 of each year and let you know where you can get a nomination form.

You can nominate yourself in the parent membership category by filling in the nomination form.

Parent members are required to hold a valid Working with Children Clearance (WWCC) to nominate for a position on school council. The only exception to this requirement is parents who are also teachers and hold a current VIT registration.

If you work at your child's school, then you are not eligible to run in the parent membership category, but you can nominate for the school employee membership category.

If you work for the Department of Education somewhere other than your child's school, then you are eligible to nominate for parent membership at that school. However, there is a limit to the number of department employees who can hold office in the parent membership category. Check with your school's principal.

You must return your completed nomination form to the principal within the time stated on the notice of election. You will receive a nomination form receipt via post, email or by hand delivery.

How do I get a Working with Children Clearance, and does it cost money?

You can apply for a Working with Children Check (WWCC) through the **Services Victoria website**.

School council members are volunteers which means that applying for a WWCC is free.

When applying for a WWCC, parents must:

- nominate the Department of Education as the organisation they are working for when applying for a Working with Children Check
- provide evidence of their Working with Children Clearance as soon as practicable after receiving it (or via the school council nomination form).

School Council Election Information

What happens if there are more nominations than positions available?

If the number of nominations is greater than the positions available in any school council membership category, a ballot is required to elect members to school council. A ballot means a vote is held to determine which of the nominees are elected to school council.

Each parent/carer who is eligible to be on school council is given a ballot paper to vote. Ballot papers are only given to members of the specific membership category where the ballot is required.

For example, if a ballot is required to determine who will be elected to the parent membership category, each parent/carer of a child at the school are given a ballot paper and are able to vote.

What happens if not enough parents nominate to fill the available parent membership positions?

All nominees will be declared elected to school council. For the remainder of the unfilled positions, the principal will call for a second round of nominations, for a 3 day period.

What happens if the number of nominations equals the number of positions available?

The nominees are elected to school council and the election process concludes. For example, if 3 parents nominate and there are 3 parent positions available, all 3 parents who nominated are elected to and join school council.

How long is the term of office?

Generally, the term of office for all council members is 2 years. The term of office of half the members in each category expires each year, creating vacancies for the annual school council elections.

How often does school council meet?

School council is required to meet 8 times per year and at least once per term.

Meetings are held at the school, generally after school hours. School council members can also join meetings virtually.

If you would like to read more about what happens at a school council meeting, please refer to the **School Council – Meetings policy**.

Why is parent membership so important?

Parent members on school councils provide important viewpoints and have valuable skills, experiences and knowledge, which help inform and shape the direction of the school.

Do I need special experience to be on school council?

No. Each school council member brings their own valuable skills, knowledge and life experience to the role. An interest in your child's school and the desire to work in partnership with others to help shape the school's future are the most important criteria.

To successfully perform their duties, school council members may need to gain some new skills and knowledge. Free school council training is available to all school council members. The training helps support school council members with their roles and responsibilities

Code of conduct for school council members

School councils in Victoria are public entities as defined by the *Public Administration Act 2004*.

School council members must comply with the Code of Conduct for Directors of Victorian Public Entities issued by the Victorian Public Sector Commission. The Code of Conduct is based on the Victorian public sector values and requires school council members to:

- **act with honesty and integrity** – be truthful, open and clear about their motives and declare any real, potential or perceived conflict of interest and duty
- **act in good faith in the best interests of the school** – work cooperatively with other council members and the school community, be reasonable, and make all decisions with the best interests of students foremost in their minds
- **act fairly and impartially** – consider all relevant facts of an issue before making a decision, seek to have a balanced view, never give special treatment to a person or group and never act from self-interest
- **use information appropriately** – respect confidentiality and use information for the purpose for which it was made available
- **exercise due care, diligence and skill** – accept responsibility for decisions and do what is best for the school

School Council Election Information

- **use the position appropriately** – not use the position as a school council member to gain an advantage
- **act in a financially responsible manner** – observe all the above principles when making financial decisions
- **comply with relevant legislation and policies** – know what legislation and policies are relevant for which decisions and obey the law
- **demonstrate leadership and stewardship** – set a good example, encourage a culture of accountability, manage risks effectively, exercise care and responsibility to keep the school strong and sustainable.

Indemnity for school council members

The Department of Education provides insurance to school council members. School council members are not legally liable for any loss or damage suffered by council or others as a result of reasonable actions taken in good faith in the exercise of their powers and functions as a member of school council. For further information refer to the **School council – liability and legal proceedings policy**.

How can you become involved?

By participating in, and voting in the school council elections, which are held in Term 1 each year. Ballots are only held if more people nominate as candidates than there are positions vacant.

You might consider:

- standing for election as a member of the school council
- encouraging another person to stand for election.

Remember

- Consider standing for election to school council.
- Ask the principal for instructions if you are not sure what to do.
- Be sure to vote if the election goes to ballot.

Camps, Sports and Excursions Fund

FINANCIAL ASSISTANCE

INFORMATION FOR FAMILIES

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's financial circumstances and their outcomes.

CAMPS, SPORTS and EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school excursions, camps and sporting activities.

If you hold a valid means-tested concession card or support an out of home care student you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid directly to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is \$400 for all school students.

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments:** your child has started or changed schools this year.
- **changed family circumstances:** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

Wellbeing at NQPS Term 1 week 4

At school

This week we have begun our Live Stream incursions for Inform and Empower—our new cyber safety and digital wellbeing program. Some year levels will be having their Live Stream session next week. These are the topics covered for each year level:

Foundation: Clever screentime choices, how to take care of devices and strategies for sharing.

Year 1 and 2: What the Internet is, Early warning signs and trusted adults

Year 3 and 4: Digital footprints, online choices and the importance of strong passwords

Year 5 and 6: Digital footprints, online identity and keeping devices and accounts secure

A parent information sheet will be sent home via Compass to give more detail and to suggest some conversation starters.

At home

Make sure you have a look at the parent flyers about Inform and Empower and have some conversations with your children at home.

Some examples include:

- What do you think makes someone a good 'hands-off helper' when sharing a device?
- What are some fun, awesome and safe things you like to do on the internet?
- Do you have any accounts with passwords that you've shared with others? Change them together.
- If someone looked at your online activity from the past year, what do you think they'd learn about you?

Chester Chatter

What a busy week it has been! Chester has visited the library to do some reading with friends and he's dropped into the activities room where he joined in the lego construction. He celebrated the hard work, dedication and good sportsmanship of the 50-metre swimmers and made sure he stopped by to say hi to the new preps. Yesterday afternoon he was impressed with how calm and focused everyone was when they headed to Ross Watt Reserve in an orderly fashion for the evacuation drill.

School Sport Victoria (SSV) TEAM VIC TRIALS 2026

Primary School Students (12 years and under)

Registration for the TEAM VIC trials for 2026 are now open! Victorian students have the opportunity to register to try out for state-level representative teams in their chosen sports. It is important to note that these trials are part of School Sport Victoria's Gifted and Talented program and are not 'come and try' events. Each student will be trialling for a state team, so we must attest to their athleticism, skill level, and school behaviour. The expectation is that students are already playing at a representative level in their sport. Families are asked to carefully consider whether their child is ready for this level of competition, as limited involvement at trials may affect a student's confidence.

Some popular sports have a closing date of Monday, March 2nd, 2026.

School Endorsement & Registration Process

Step 1: Parents must speak with the sports Coordinator before registering online. This allows us to discuss whether the trial is suitable for your child.

For the following sports, each school may endorse a maximum of three (3) students:

- 12 Years & Under Boys Australian Football
- 12 Years & Under Boys Basketball
- 12 Years & Under Girls Basketball
- 12 Years & Under Boys Football (Soccer)
- 12 Years & Under Girls Netball

Step 2: Once approved by the Principal/Sports Coordinator, a parent or guardian may complete the online registration.

Step 3: If more than three students are registered in any of the sports listed above, SSV will contact the school. Official endorsement will be completed via an online form sent after registrations close.

Step 4: After the State Trials, the Principal/Sports Coordinator will be asked to endorse any student selected for a Team Vic team. Teams will not be announced until this endorsement is received. Successful students will then receive further information about their selection.

Further details can be found via the SSV link : <https://www.ssv.vic.edu.au/team-vic>

PE AND SPORT - HOUSE SWIMMING CARNIVAL

Congratulations to **Galloway Grizzlys**, winners of this year's **House Swimming Shield!**

After tallying the results from the splash, grass, novelty, and 50m events, Galloway emerged with the highest overall score. Lee finished as runners-up, followed by Devlin and Hurst. A huge well done to all participants for their fantastic effort and energy on the day your enthusiasm was truly inspiring! Our Galloway House Captains, Milla and Mia, were thrilled to receive the shield on behalf of Galloway House at assembly.

A big thank you to our wonderful Years 3–6 staff for their support with set up, throughout the day, and pack up. We also sincerely thank our family volunteers — Nicola, Nial, Alison, Kate, Darren, Annika, Alissa, Erin, and Jeff — for marshalling and supporting our students throughout the event. A special mention as well to our House Captains for assisting with the novelty events across the day.

AGE GROUP CHAMPIONS - In addition to our whole-school events, approx. 60 students signed up and competed in the 50m trials for Freestyle, Backstroke, Breaststroke, and/or Butterfly races. The results from these races were used to select our Interschool Swimming Team, who competed in the District Swimming Carnival. Many of the students participated in two or more events on the day.

Congratulations to the following students for winning the most points across their 50m events at House swimming.

L to R :12/13 Boys – Jack, 11 Boys – Jax, 9/10 Girls – Kara, 11 Girls – Eliza, 12/13 Girls – Emmy, 9/10 Boys – Ned & our proud boy Chester 😊

Good luck to the 29 students who were selected to represent NGPS in the District Swimming Carnival next Tuesday 24th Feb at Sunbury Aquatics Centre. We will be cheering you on!!

Parents' Association

Our 'Parents' Association' needs you! And we'd love to have you involved!

The Parents' Association is a group of committed volunteers supporting various activities, events and fundraising for the school community throughout the year.

Hi everyone, I am Rachel, I'm the current President of the Parents' Association. As a new parent at the school three years ago I knew very little about the school community or ways to get involved. I wanted to support my little preppy to have the best start and so threw myself into supporting the school through the PA and canteen. Since that time, I've had the privilege of being involved in bringing together some awesome fun events, fundraising and having a great laugh with my family and many new friends.

The PA have some fabulous flagship events and in recent years have really struggled to get volunteers to assist. If you can spare some time, we'd love to have your help!

Here's some of what you can look forward to over the coming year:

Book Fair— a great opportunity to introduce, encourage and support students of all ages to the world of reading by volunteering at the book fair. By selling of books, assisting students with book selection and helping the students out with their maths skills by finding the right coins to pay.

School Disco – One of the much-loved events for our students. As a parent volunteer as you get to supervise the students as they boogie the night away and eat all the sweets in sight! There's a variety of fun roles on the night from crowd control, face painters, or selling candy, this is a fun event for all involved.

We can't continue to provide these events without welcoming some new people into our fabulous association. Whether you have 1 hour to spare, or multiple hours, we welcome all skills to help support our school community!

The next meeting will be held on March 6th in the staff room at 9am. This meeting will also include AGM and we'd love to see some new faces. You can also connect online with the committee through our facebook group:

<https://www.facebook.com/groups/ngpsamembersonly> or by emailing: ngps.parentsassociation@gmail.com to find out more.

A huge thank you to all the volunteers, the teachers and school community for the ongoing commitment and support.
