Foundation activity  
- Milo's Birthday Surprise -

### Last Day of Term

**Early Dismissal 2:30pm**

### 12th July

Term 3 starts

### 13th-27th July

Somers Camp

### 16th July

Regional Cross Country

### 20th & 27th July

Year 6 Preparation for Puberty

### 21st July

Division Netball  
-selected student only-

Early dismissal 12:30pm

Parent/Teacher Interviews

Dear Parents,

### Storm Damage

Our fallen tree is causing some major headaches for the Make Safe contractors. Access to the area is limited and it looks like we'll need a massive crane to lift out the pieces once they start cutting. I think actually getting hold of a suitable crane will be difficult as there are so many trees down across the state and some parts of Victoria have greater needs than us at the moment. Therefore, I'm not betting on getting our tree removed over the weekend, or possibly even next week. Make Safe is keeping me informed on an almost daily basis so I'm sure we'll get everything tidied up as soon as they are able to get in.

Additional work is also being undertaken to fix roof guttering and repair water leaks. The carpet dryers have done their job and the rooms are all nice and dry and contractors are on-site again today working on the water tightness of the rooms.

### Capital Works Program

New paths and rubberoc in the central courtyard are done and the turf is starting to go down today. Last week's rain put the work back a few days, but the courtyard should be finished early next week. The Foundation area is also starting to take shape and shade sail posts are being put in today. Some of the concrete paths have had to be redone and the sandpit moved, but they are on track for completion before we return next term. The admin and canteen entries will also be done in this time frame. Lastly, the area near the Performing Arts Room is slotted in for the two week break (the school's preference to minimise disruption) and should also be ready for use on Day 1, Term 3....fingers crossed!

### Update to Parents On-site and Mask Wearing – For the Last Week of School

Even with the recent relaxing of restrictions, schools are being told to continue to minimise parents being on-site. So, for the upcoming 'last week of Term 2', please continue to drop off or wait for your children outside the school. Unless, your children are in Years F, 1 and 2 and are a bit anxious so they might need you to take them to class or collect them from class. Remember, anyone entering school grounds (out in the open) for more than 15 minutes, is required to 'sign in' at the office using our QR Code or Compass Kiosk. Don't roll up at 10 to 3 in the afternoon and take a seat near the canteen waiting for your child to be dismissed at 3:20pm. You MUST wear a mask!

Anyone entering the office area to sign their child in or out, or even just drop off a lunch, is required to sign in using the QR Code or Compass Kiosk - even if for 30 seconds. These are now legal requirements that schools have to follow.

# Principal's report continued

## Early Finish on Friday 25<sup>th</sup> June

As is the case on every last day of term, students will be dismissed at 2.30pm. Please be sure to make alternative arrangements for your child/ren if you can't be there at that time. After School Care is on that afternoon so that is an option if needed.

## Soccer

Well done to both our soccer teams (boys and girls) for doing such a wonderful job representing our school yesterday at the District Soccer Competition. Both teams were very competitive and made the final four to play off in the finals. The boys came in 4<sup>th</sup> and the girls 2<sup>nd</sup>. Congratulations to all the students who took part! I have been told they all showed excellent sportsmanship and were very team orientated. Thank you also to Clare Henebery who took on the job of coach of the boys team. Thanks Clare! And thanks for keeping us updated on the teams' progress throughout the day!

## Holiday Program

Our OSHC (Outside School Hours Care) people are offering a Holiday Care Program over the two-week break. Their program is a mix of on-site and external activities and they run from very early in the morning to the evening. I'm pretty sure you don't have to book your kids in everyday – you might only need care for a few days over the break. See OSHC notice further in the newsletter for more details.

## Keyboard Lesson Resuming in Term 3 (all going well!)

Dianne from Music Foundations is resuming her keyboard lessons. Her classes will run at school on Wednesdays and Thursdays and she is happy to take on newcomers also. See Dianne's notice in this newsletter for more details.

Andy Kozak  
Principal

# INDO LINGO

Selamat Datang,

Congratulations to all our wonderful students on their hard work and effort this term. We are so proud of all the students who are using their Indonesian language in sentences, both in the written form and orally. Even the Foundation students are becoming very adept at using their knowledge of greetings and manners inside and out of the classroom.

The Year One students are able to explain which animals they like: "Saya suka kucing" (I like cats). It is great to see the students expand on their use of language rather than one-word answers.

The Year Two students have sequenced and written their daily routine.

The Year Three students have been learning about 'Makanan' (Food) and this term they have written descriptions of vegetables, as well as explaining which foods they like to eat for each meal of the day. Some students challenged themselves by using vocabulary to explain which foods they prefer to eat.

The Year Four students have created sentences to reflect a person's feelings and facial expressions.

Year Five students have written descriptions of themselves, their friends and a celebrity. They have used excellent vocabulary to describe appearance and characteristics.

Attached are some samples of the work completed this term.

Sampai jumpa,

Ibu Dawson & Ibu Hager

## Siapa ini?

Nama dia Elsa.

Elsa Kurus dan jenius.

Dia Cantik dan Serius.

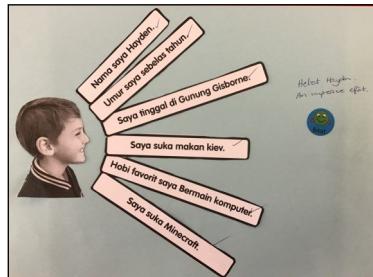

Rambut Elsa panjang dan pirang.

Mata dia biru.

By Kaylah Saddington  
PIC-COLLAGE

Untuk sarapan saya suka makan weet-bix. Saya suka minum susu ✓ Untuk makan siang saya suka makan sandwich. Untuk makan malam saya suka makan chicken burgers. ✓ Makanan favorit saya is cheese ✓ keju. Minuman favorit saya is jus tetapi saya + lebih suka soda water dengan lemon. ✓ Wah! Impresive wah hy.

## Ini teman saya.

Nama dia Leah.

Rambut dia pirang, cokelat dan pendek.  
Mata dia biru dan hijau.

Leah sehat sekali dan kuat.

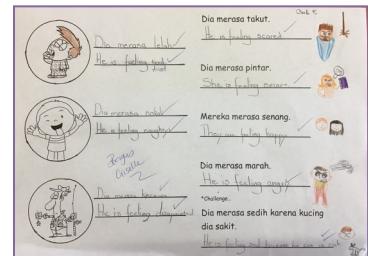

Warna favorit dia aqua.

Leah suka kuda.

Dia suka binatang.

## Lost property

There are a number of newish looking jackets UNNAMED hanging in lost property.

All named clothing is returned to students regularly but there is a lot of unnamed articles that are still awaiting collection by their owners.

Can you please ENSURE when purchasing uniform, especially jackets, that you register them with our RagTagd system and WRITE YOUR CHILD'S NAME ON the tag provided.

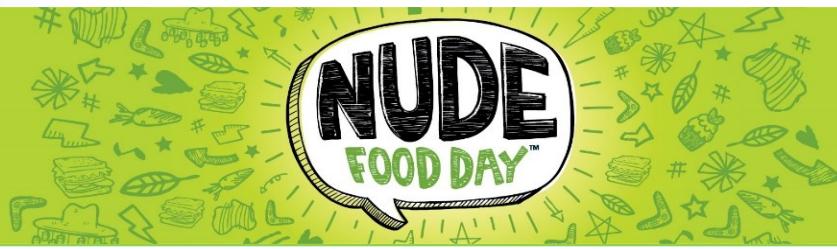

## FOOTY COLOURS DAY

Thursday June 17<sup>th</sup>

we raised \$764 in  
donations!

We raised \$1500  
selling beanies!

NGPS is excited to be having another **NUDE FOOD DAY!** It was wonderful to see the students participating last term and we would like to continue this. All students are encouraged to pack a healthy, wrapper free snack and lunch on Thursday the 24<sup>th</sup> of June. **NUDE FOOD** day is a chance for our students to realise what they can do for their health and the health of the planet.

Some suggestions on how to make your snack and lunch a **NUDE FOOD** success are:

- using plastic reusable containers for sandwiches, fruit and yoghurt
- cutting up vegetables sticks and dip
- popping popcorn
- bringing a reusable drink bottle
- making homemade vegetable chips
- packing whole pieces of fruit.

If you would like to learn more, you can visit [www.nudefoodday.com.au/resources](http://www.nudefoodday.com.au/resources) for lots of learning tools, recipes and ideas!

Below is a recipe that you might like to try at home! This recipe has been sourced from the Nude Food website.

### Veggie Muffins

- 1 tablespoon olive oil
- 1 onion, finely chopped
- 3 slices bacon, finely chopped
- 1 large carrot, grated
- 1 large zucchini,
- grated 3 eggs
- 1/4 cup light thickened cream 1 cup
- 125g grated parmesan cheese
- 1 pinch salt and pepper to taste
- 1/2 cup (60g) self-raising flour

- Preheat an oven to 180°C. Grease a 12 cup mini muffin pan.
- Heat the oil in a large frypan over medium heat. Stir in the onion and bacon. Cook until onion is translucent and bacon is browned, about 5 minutes. Stir in the carrot and zucchini; cook until they begin to soften, about 2 minutes. Transfer mixture to a bowl to cool.
- Beat the eggs, cream and Parmesan cheese together in a large bowl. Season with salt and pepper. Stir egg mixture into cooled zucchini mixture; stir in flour. Spoon the batter evenly into the prepared muffin cups.
- Bake in preheated oven until a toothpick inserted in the centre comes out clean, 15 to 20 minutes.

## Australian Childhood Anxiety TREATMENT STUDY

**Free home-based assessment and treatment for 7 to 12 year old children with fear and anxiety disorders.**

Does your child become very afraid of certain situations or objects, worry about a lot of things, get very distressed, or try to avoid things they fear?

**About the study**

Our team at Griffith University may be able to assist you. We are conducting a nationwide study that includes the following services at no cost to families:

- A thorough assessment of your child's anxiety with a trained psychologist via the telephone;
- Your child receiving one of two kinds of home-based treatments delivered on a PC, laptop or tablet; and
- Two follow-up telephone assessments with a trained psychologist 6- and 12-months after treatment to track your child's progress.

The study aims to find out if these two treatments are as effective as each other, and which children have the best response to each kind of treatment. This will mean that there are more evidence-based treatments available for helping anxious children.

**About the treatments**

Each treatment involves your child completing treatment sessions at home on a PC, laptop or tablet.

Each treatment involves your child learning practical strategies to better manage anxiety.

- One treatment helps children learn to control the focus of their attention on helpful things around them.
- The other treatment helps children learn to think differently and approach things they fear.

Each treatment includes information, telephone or email support for parents in assisting their child to better manage anxiety.

**Contact us**

This study is being funded by the National Health and Medical Research Council and is led by Professor Alison Waters and a team of experts in childhood anxiety disorders.

For more information about our study and our team, or if you would like your child to participate, please contact us:
